Find Out Friday

Fridays • 3 – 3:30 p.m. or 5:30 – 6 p.m. • Purdy Pool

Do you have questions about lessons and which level is appropriate? Are you trying to pass the swim test and you're too tall to tread water in the shallow end? Interested in being a lifeguard and need to take the prerequisite swim test? Just drop in, we will have instructors available to answer your questions and assist in the water.

FloatFit Class

Tuesdays & Thursdays • 9:30 – 10 a.m. • Purdy Pool

A fun, high-intensity circuit training drill, performed on an AquaBase floating water mattress in a swimming pool, FloatFit gives a full body workout. The need to balance the AquaBase will teach you how to focus on your posture, and strengthen your core while concentrating on exercises such as burpees, planks, squats, mountain climbers and more! Intricate stabilizing muscles work overtime helping to prevent dislocation and adding strength to joints. These muscle fibers often go 'unused' in other workouts. For those with knee or joint difficulties, FloatFit is a low-impact workout, with a mixture of core and yoga inspired exercises to suit all abilities. Eliminating the heavy impact on hard surfaces will assist your joints in every way to reach fitness levels other workouts can fail you on. Only 8 spots available per class! **\$3 / class**

Lifeguard Training

May 2 – 4 • Purdy Pool

This is the last class before the summer teen hiring season.

Friday 4 – 9 p.m. • Saturday & Sunday 8 a.m. – 6 p.m.

Registration deadline is April 18.

Prerequisite 1:

Complete a swim-tread-swim sequence without stopping to rest:

- Jump into the water and totally submerge, resurface then swim 150 yards using the front crawl, breaststroke or a combination of both. (Swimming on the back or side is not permitted. Swim goggles are allowed).
- Tread water for 2 minutes using legs only.
- Swim 50 yards using the front crawl, breaststroke or a combination of both.

Prerequisite 2:

Complete a timed event within 1 minute, 40 seconds:

- Starting in the water, swim 20 yards. (The face may be in or out of the water. Swim goggles are not allowed.)
- Surface dive (feet-first or head-first) to a depth of 7 – 10 feet to retrieve a 10-pound object.
- Return to the surface and swim 20 yards on the back to return to the starting point, holding the object at the surface with both hands and keeping the face at or near the surface.
- Exit the water without using a ladder or steps.

Open to ages 15 and older (MWR hiring age is 16)

\$75 (CFAY personnel), \$100 (non CFAY personnel)

To register, please contact MWR Aquatics at 243-5620.

Child Development Centers

The Yokosuka and Ikego Child Development Centers offer child care and developmental activities for children from six weeks to pre-kindergarten.

School Age Care (SAC)

School Age Care (SAC) programs are for children in kindergarten through 12 years old. We work with dynamic organizations such as the Boys & Girls Clubs of America and 4-H to offer the best programming. Our programs provide educational and recreational activities that focus on building self-esteem, developing appropriate relationships, facilitating academic success, and making healthy choices.

Types of Care Provided

- Before School Care
- After School Care
- Holiday / Summer Camps
- Hourly Care

To join the waitlist or view current care options, please log into www.militarychildcare.com or scan the QR code.

Child & Youth Education Services (CYES)

Child & Youth Education Services (CYES) is the education services arm of CYP. The Child & Youth Education Services Officer provides support to all military connected families in transition with their K-12 education, public, private, parochial, DoDEA, and home school. The SLO helps students and families connect to their command, school, community, and future.

Email the SLO at SLOYokosuka@us.navy.mil or scan the QR code.

Child & Youth Behavioral Military Family Life Counseling (CYB-MFLC)

Child & Youth Behavioral Military Family Life Counseling (CYB-MFLC) Programs support and augment Child & Youth Programs and DoDEA schools. Counselors provide non-medical support to eligible faculty, staff, parents and children. They may observe, participate and engage in activities with children and youth; coaching, guidance and support to staff and parents, and model behavior management techniques and more! Contact the SLO for more information about the CYB-MFLC Program.

Need childcare for your appointment?

Welcome New Families!
CYP AOB Child Care

Family Care Plan Campaign

The Child Development Centers, Child Development Homes, and the School Age Centers will be reaching out to military families to ensure the Family Care Plans are completed. Child & Youth Programs will work with families and their command to ensure all active duty single and dual military families with dependents enrolled in CDC or SAC programs have the correct paperwork completed and turned in for this requirement.

What is the Family Care Plan?

Family Care Plans are mission planning tools to establish and document written plans to care for minor children while the sailor is absent (DoD Instruction 1342.19).

Who does it affect?

The Family Care Plan (FCP) is required for all single and dual active duty military sailors with children enrolled in CDC or SAC programs.

When does the FCP need to be completed?

Single and dual sailors with dependents enrolled in CDC or SAC programs are asked to complete the FCP as soon as possible. New enrollments have up to 60 days from the original start date to provide FCP.

Why is it important?

To be mission ready and best prepared to take care of your child in case of an emergency.

What can you do?

Contact CYP as soon as possible to verify your FCP status.

For more information, scan the QR code on the right.

Family Child Care (FCC) Information for Parents

Family Child Care (FCC) offers quality care in a loving, learning home environment for children ages six weeks to twelve years. All homes are certified by DoD.

FCC providers are encouraged to obtain accreditation by the National Association for Family Child Care (NAFCC). As an additional quality assurance measure, FCC providers receive a minimum of one unannounced monitoring visit each month to assess providers' relationships with children and families, appropriateness of the learning environment, planned activities, safety and health of the home, and other items. The goal of these visits is to provide programmatic support and ensure adherence to Navy standards and policies.

Parent Fees

All FCC subsidized rates must be verified during initial registration using Total Family Income (TFI), and updated annually. TFI will be verified by documentation to include spouse's most recent LES(s), W-2 forms, or detailed pay information. Students are required to provide proof of full-time school enrollment.

- Eligible patrons include: Active Service Members / DoD Civilians.
- Parent fee is assessed through established income categories.
- Multi-child discount will be applied to additional child enrolled.
- Hourly fees will be discussed with your FCC provider.

What is a School Liaison Officer?

The School Liaison Officer serves as the liaison between the installation commander, military agencies, and schools by providing assistance in matters pertaining to student education.

The School Liaison Officer also implements the Navy's Strategic Planning for Education Advocacy K-12 recommendations in order to ensure Navy families have access to quality educational opportunities. School Liaison Officers level the playing field for military children by ensuring maximum educational opportunities for success.

Why are School Liaison Officers needed?

School transition and deployment support is a Navy readiness and retention issue. The Navy benefits from having Sailors who can focus on their duties, whether ashore or deployed.

- Navy families move their children an average of every 2.9 years.
- Children of military personnel attend up to 9 different schools by graduation.
- Military families are reluctant to disrupt high school youth in their senior year.
- Deployments can impact educational outcomes of children.
- Many families decide to "separate geographically" to keep kids in current school.

Navy School Liaison Officers Provide Seven Core Services to Assist Families

• School Transition Services

Assist families with school transfers and help 'level the playing field' for military children and youth.

• Deployment Support

Connect educators with Navy deployment support system to inform them about cycles of deployment and tools available to assist in working with Navy children.

• Command, School, Community Communications

Serve as subject matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources.

• Home School Linkage and Support

Assist families by gathering and sharing information on home schooling issues, policies and legislation and help leverage CYP resources to support these families.

• Partnerships in Education (PIE)

Creates volunteer network of resources to support installation and community members who have vested interest in the success of all youth.

• Post-Secondary Preparations

Leverage installation and school resources to provide graduating military students with access to post secondary information and opportunities.

• Special Needs System Navigation

Provide information on installation and community programs and services, make referrals to EFMP, and assist in navigating administrative systems within LEAs.

Shorinzan Darumaji Temple

& FUKIWARE WATERFALLS

MONDAY, MAY 26

This temple was built in 1697 and is purported to be the place where Japanese daruma dolls originated. These popular bearded dolls are considered good luck charms.

Traditionally, you make a wish and fill in one of their eyes, and when it comes true, you fill in the other eye. At the end of the year, you bring the doll back to the shrine to burn it.

The temple is piled high with daruma of various sizes and colors, each representing something different. Red is the most common color, which invites general good fortune. An adjoining museum displays non-traditional daruma.

Fukiware Falls are known as the Niagara Falls of Asia. This dynamic waterfall is surrounded by beautiful scenery which is famous during the spring and autumn because of its vivid colors.
